

HOPKINTON MAIN STREET CORRIDOR PROJECT

CONSTRUCTION ADVISORY

MassDOT Project Number: 606043

Construction Advisory No. 22

November 19, 2021

Two Week Look Ahead

Please be advised that this schedule may change due to weather conditions and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

What to Expect for the Week of November 22, 2021

- Installation of Ductbanks
 - Start at EMH "BB" to EMH "AA"
 - Work on Monday 11/22 will occur between Mayhew and Summer St. (near 90, 88 and 86 Main)
 - Work on Tuesday 11/23 will occur between Mayhew and Summer St. (near 88, 86 and 84 Main)
 - Mayhew Street will be closed on 11/22 and 11/23 from Main Street to Mt. Auburn St.
 - Access to the Senior Center will be via Mt. Auburn or Summer Street.
 - Mayhew Street will reopen on Wednesday 11/24 and Main Street will be cleaned up and secured for the Thanksgiving holiday.
- MassDOT Survey Crews to continue to locate limits of easements within the corridor
- Delivery of Electric Materials

What to Expect for the Week of November 29, 2021

- Installation of Ductbanks
 - Start at EMH "AA" to EMH "A" (between Summer Street and Claflin Commons)
- Start Traffic Signal conduits at intersection of Main Street and Wood Street
- MassDOT Survey Crews to continue to locate limits of easements within the corridor
- Delivery of Electric materials

This work will require a lane shift to maintain two lanes of traffic. Work hours during the day will remain 7:00am-3:00pm but may be extended if necessary. The plan provides two lanes of traffic through the work area delineated by cones or barrels. There may be the need to temporarily go down to one lane of alternating traffic for short periods of time. Detail officers will be onsite to assist.

Additional information about the Main Street Corridor project is available on the Town's project website at <https://hopkintonmainstreet.com>

The Town of Hopkinton appreciates your patience and consideration while we work to support MassDOT's project to revitalize our downtown infrastructure.
