

# HOPKINTON MAIN STREET CORRIDOR PROJECT

## CONSTRUCTION ADVISORY

**MassDOT Project Number: 606043**

**Construction Advisory No. 36**

**July 29, 2022**

Please be advised that this schedule may change due to weather and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

**What to Expect for the Week of August 1, 2022, to August 5, 2022**

### **East Side of Project and Project Wide**

- Underground service work to property lines (in the areas between 25 Main and the 85/135 intersection).
- Continue the service connections **project wide**

### **West Side of Project**

- Starting Monday 8/1/22, Dagle Electrical will be onsite to activate the signals at the Main St/Wood St intersection
- Markings, Inc. will paint the “do not block” box in front of Meserve St. on Tuesday night and move the stop bar at the Main St/Wood St intersection west (past the driveway at 1 West Main) – work is estimated to be completed in no more than 2 hours with no noise disruption
- Install new granite curb at West Main and Wood Street – detour will be utilized as needed.
- Continue to strip and grade sidewalks from Wood Street towards the Fire Station

### **85/135 Intersection**

- Verizon and Comcast Ductbank work at Grove Street and Cedar Street – detour will be utilized as needed. Walcott Street will be opened to two-way traffic during detour hours to enable entrance from Cedar St.
