

HOPKINTON MAIN STREET CORRIDOR PROJECT

CONSTRUCTION ADVISORY

MassDOT Project Number: 606043

Construction Advisory No. 41

September 2, 2022

Please be advised that this schedule may change due to weather and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

What to Expect for the Week of September 5, 2022, to September 9, 2022

No Work on Monday, September 5th – Labor Day Holiday

- Continue the service connections project wide

East Side of Project

- Continue Comcast Ductbank work on East Main Street

West Side of Project

- Install new granite curb along Main Street working eastbound from West Main Street to the Fire Station
- Continue to Grade and Compact sidewalks between Wood Street and the Fire Station
- Continue forming Concrete Sidewalks from Wood Street towards the Fire Station
- Concrete sidewalk work will also take place at the end of driveways; affected property owners will be notified in advance as driveway access will be impacted; Emergency vehicles access will be maintained
- Pleasant Street and Elm Street detours will be utilized as needed

For the most up to date information about the Main Street Corridor project please visit the Town's project website at <https://hopkintonmainstreet.com>

The Town of Hopkinton appreciates your patience and consideration while we work to support MassDOT's project to revitalize our downtown infrastructure.
