

HOPKINTON MAIN STREET CORRIDOR PROJECT

CONSTRUCTION ADVISORY

MassDOT Project Number: 606043

Construction Advisory No. 43

September 16, 2022

Please be advised that this schedule may change due to weather and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

What to Expect for the Week of September 19, 2022, to September 23, 2022

Project Wide

- Raise castings on manholes project wide – the eastbound detour from Pleasant Street to Maple Street to Hayden Rowe will be utilized.

East Side of Project

- Comcast duct bank work at Church St and Walcott St. (expected to be 1 day for each location)
- Electric conduit work at Ash Street
- Conduit work on Hayden Rowe; southbound traffic will be detoured around the Town Common via Ash Street to Park and back to Hayden Rowe. Northbound traffic on Hayden Rowe will not be impacted.
- Continue the service connections up to property lines from the Muffin House to Ash Street

West Side of Project

- Continue Grading and Compacting sidewalks between Wood Street and the Fire Station
- Continue forming and pouring Concrete Sidewalks from Wood Street towards the Fire Station

135/85 Intersection

- Install new granite curb from the Fire Station/Police Station up to the Muffin House (including Cedar Street and Grove Street)
- Set up lights at the intersection

Working hours for the Main Street Corridor Project are from 7am to 3pm. No detours, one lane closures or road closures are allowed between 7am and 9am.

For the most up to date information about the Main Street Corridor project please visit the Town's project website at <https://hopkintonmainstreet.com>

The Town of Hopkinton appreciates your patience and consideration while we work to support MassDOT's project to revitalize our downtown infrastructure.
