

HOPKINTON MAIN STREET CORRIDOR PROJECT

CONSTRUCTION ADVISORY

MassDOT Project Number: 606043

Construction Advisory No. 45

September 30, 2022

Please be advised that this schedule may change due to weather and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

What to Expect for the Week of October 3, 2022, to October 7, 2022

Project Wide

- Raise castings on manholes project wide – the eastbound detour from Pleasant Street to Maple Street to Hayden Rowe will be utilized.

East Side of Project

- Continue the service connections up to property lines from the Muffin House to Hayden Rowe.

West Side of Project

- Continue Grading and Compacting sidewalks between Wood Street and the Fire Station
- Continue forming and pouring Concrete Sidewalks from Wood Street towards the Fire Station
- Concrete sidewalk work at end of driveways; affected property owners will be notified in advance.
- Asphalt work at end of driveways for properties that have an asphalt driveway apron; homeowners will be notified.

135/85 Intersection

- Continue pouring and forming concrete sidewalks at the intersection (including Cedar and Grove Street)
- Continue installation of light pole bases; installation of new light signals.

Working hours for the Main Street Corridor Project are from 7am to 3pm. No detours, one lane closures or road closures are allowed between 7am and 9am.
